

PUBLICITY OPPORTUNITY

New products, innovative designs, “green” materials, family-friendly stories – any of these and more are great angles for publicity opportunities.

We can help you promote these items and more – but only if we know about them in advance!

Please use the space below to tell us about your company’s: involvement, colorful employees, corporate achievements or anything else you think people would like to hear about.

Include your contact information (office and on show site) so we can reach you with questions about your topic.
